Tailor a field trip to the needs of your class

Field Trip Scheduling

Choose from 5 different field trip levels ranging from one to six hours in duration. The 2-Star level and above include a program or adventure of your choice. All levels include hands-on play time in the museum. A minimum of 10 paying students is required.

Hands-On Helpers

Chaperones are required and admitted for free.

Preschool: 1 adult per 3 children

Grades K - 5: 1 adult per 5 children

Organizers of field trips involving programming may be encouraged to bring additional helpers and are credited accordingly. Adults in excess of the required number will be charged \$5.00 each.

Historic Adventures (1 hour)

Exploding Volcanoes (PreK - Grade 5)

Experience the past by creating a mini Krakatoa to take home and learn the chemistry behind this science-fair favorite.

Dino Dig (PreK - Grade 3)

After studying the art of paleontology, become a licensed paleontologist and go on a dig to the Gobi Desert to uncover "ancient bones."

Underground Railroad (Grades 2 - 5)

Meet Harriet Tubman and escape to the north using museum safe houses and historic signals that led slaves to safety.

Ellis Island (Grades 3 - 5)

Step back in time to the late 1800's and become a pioneer as ship passengers

immigrate to New York. Experience the island of Hopes and Dreams as immigrants pass through registry hall.

Badger Mining (PreK - Grade 5)

Prospect for minerals in an actual mine and learn about the history that made the Badger State.

Programs (1/2 hour)

Simply Science

Choose from 4 hands-on science experiments: Magic Writing, Dancing Raisins, Penny Boat or Color Wheel.

Pirate Math

Become a pirate for the day and learn math along the way. Search for doubloons and complete the 100s board in this matey's game.

Games

Choose from treasure hunt, scavenger hunt or musical planets.

Please call to schedule your field trip at least two weeks in advance - spring dates fill up quickly so book early!
